A VIP SPONSORED EVENT

YMCA Showcase House

Story & photography by Anna Keith

The YMCA Showcase House kicked off it's week of events with a fun filled opening party. This Showcase Tour event took place at 822 Holly Road in Brentwood, TN, which is the beautiful home of Paige Sneed of

K&R Builders and her family. The house was created with an elegant European flare and designed to perfection by Gary's Custom Interiors and The Curtain Exchange, as well as several other vendors. No detail was spared in this stunning home! The YMCA

Showcase House benefits Middle Tennessee's youth and outreach programs. For more information on this year's YMCA House and to see all of the fabulous vendors who helped make it come together, go to www.ymcashowcasehouse.com.
